All Species

The animals will be resold with the fair receiving the income to support its mission.

The fair will send a receipt of your gift (as a 501©(3)) upon request.

## What Your Purchase Gives You

The below information is for reference only.

### Meat Yield

The weights and percentages can vary due to animal live weight, fat to muscle ratio, diet, gender, age, breed and cutting preferences (fat trimming, bone-in/out and desired cuts).

|             |                                                                                                                    |                |                                                                                                                                                            |
|-------------|--------------------------------------------------------------------------------------------------------------------|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Beef</b> | Live weight: 1,000 - 1,350 lbs<br>Dressing %: 62.5% of live weight<br>Packaged meat %: 58% - 67% of carcass weight | <b>Turkey</b>  | Live weight: Hen 15 lbs min. | <b>Goat</b> | Live weight: 70-110 lbs<br>Dressing %: 40%-55% of live weight<br>Packaged meat %: 65%-78% of carcass weight        |                |                                                                                                                                                            |

- **Live weight:** the weight of animal during the auction.
- **Carcass weight:** The weight of the animal after inedible parts are removed, such as, internal organs, head, hide, and blood.
- **Dressing %:** The percentage of the live animal weight that becomes the carcass weight at slaughter.
- **Packaged meat %:** The percentage of the carcass weight that becomes retail cuts that the buyer will be sent after processing.

### Cuts Produced:

Percentages are taken of the carcass weight. Listed are a variety of cuts that may be offered. Contact your cut-and-wrap company to learn what will be offered.
